AUGUST 2020

**TO: ALL OF MY COMMUNITY
FRIENDS AND BUSINESSES**

**RE: SANTA'S COVID-19
PANDEMIC UPDATE**

As you know, the 2020 COVID-19 Pandemic has affected
ALL of us around the world.

All of us here at the North Pole are being very, very careful -- washing our hands, wearing our masks, and keeping two metres (for Mom, Dad, Grampa and Grandma that's six feet) apart. It is a terrible situation for many and I do hope everyone is doing their best to keep their spirits up (stay happy) and help each other get through this staying healthy and safe!

I am advised by my Head Elf Leroy that all of our Elves are still working hard on games and toys.

I am advised by my Head Reindeer Doner that Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Blitzen and of course Rudolph are eating well and exercising to stay fit for our journey.

Parade Update: At this time, I have to say I am not sure if we can have our Oshawa Santa's Parade of Lights in November. My Elves, Reindeer and I sincerely hope so. (So do my friends who help organize our parade).

For our parade to happen, we need everyone to continue to be very careful, wash your hands, wear your mask, stay home as much as possible, and stay safe!

As soon as I hear if we can hold our parade, I will let you know.

Love Santa

P.S. Stay Positive!!

I will be watching for your letters before long!
