OCTOBER 2020

**TO: ALL OF MY COMMUNITY
FRIENDS AND BUSINESSES**

**SANTA'S PARADE
UPDATE #2 --
CANCELLED**

The 2020 COVID-19 Pandemic is continuing to affect ALL of us around the world.

All of us here at the North Pole have been thinking very hard – trying to figure out a way that we can still have our 2020 Oshawa Santa Claus Parade and still be safe. However, like other communities in Durham Region my parade committee feels it is best if Oshawa's Santa Claus Parade be **CANCELLED** for this year.

BUT, just because we can't all get together to experience the magic of Christmas this year does not mean that we cannot share the magic with those in our bubble. We can continue to keep the spirit of Christmas in our hearts as we move forward in our daily lives.

Be sure to keep an eye out for me in and around Durham Region before Christmas. I will continue to do my best to visit you. Be sure to let me know how good you are being - staying safe, washing your hands, wearing your masks and listening to your parents and grandparents, and hopefully we will beat this pandemic soon. If we continue to work together, we WILL beat this pandemic!

**'Merry Christmas and Happy Holidays'
To All!**

Love Santa
